List of the Practical in R Programming

Sr No.	Title of the Experiment	Date	Pages No.	Remarks & Signature
Q1	Program to find factorial of a number?	02/12/2025	1	
Q2	Check whether number is prime or not?	11/12/2025	2	
Q3	Find Sum, Mean and Product of a vector?	16/12/2025	3	
Q4	R program to generate random numbers from standard distributions?	19/12/2025	4	
Q5	Find Minimum and maximum?	24/12/2025	5	
Q6	Program to check Armstrong number?	29/12/2025	6	
Q7	Sum of natural numbers using recursion?	31/12/2025	7	
Q8	R program to print Fibonacci sequence?	01/01/2025	8	
Q9	Program to check for leap year?	09/01/2026	9	
Q10	Check whether number is odd or even?	13/01/2026	10	
Q11	Check if a number is positive negative or zero?	17/01/2026	11	
Q12	Find the sum of Natural Numbers?	20/01/2026	12	
Q13	Convert Decimal into Binary using Recursion?	04/02/2026	13	
Q14	Find the factorial of number using Recursion?	12/02/2026	14	
Q15	Program to find HCF or GCD of a number?	16/02/2026	15
